# HP Commercial Monitors

Productivity and performance in clear view

## An epic story in the making

From award-winning HP DreamColor technology and 4K resolution to certified for Skype for Business® and ergonomic features, HP Monitors are designed to provide a superb experience to fit your unique work style and fit any budget. HP Commercial Displays are created to seamlessly connect to your HP PC, notebook or mobile devices, so you can start creating your story.

## Design

Start your next chapter with monitors designed for the ultimate user experience:

- Industry-leading ergonomics
- HP Mini PC direct mount solutions
- Factory color calibration
- High resolution and wide angle viewing
- Large screen sizes
- Ultimate portability
- Virtual reality 3D viewing
- Immersive curved experiences
- Sleek, narrow bezel designs
- Advanced connectivity
- HP quality and reliability

## Collaboration

Connect and share your work with collaboration solutions that help you accomplish more together:

- Certified for Skype for Business® displays\*
- Premium speakers and microphone\*
- Collaboration-optimized HD webcam\*
- Call-control hot keys on the bezel\*

\*All above features available on select models only.

# Positioning the Portfolio

## HP Commercial Display features and benefits

### Z Display

#### Style & Creative Power

Built for the mission critical user experience

- Award-winning HP DreamColor technology\*
- Ultra High Definition 4K resolution\*
- Tested durability for mission critical projects
- Innovative design and immersive curved display\*

### EliteDisplay S-Series

#### Style & Business Power

Delivering the newest technologies and design trends for the modern and mobile workforce

- Premium designs
- Office of the future technology
- Curved monitor for an immersive experience\*
- Portable and docking monitors for on-the-go
- USB-C™ connectivity with power delivery\*

### EliteDisplay E-Series

#### Business Power

Style meets substance for optimal viewing, productivity, and ergonomics

- Modern and stylish business displays
- Industry-leading ergonomic adjustable design
- Leading environmental certifications
- Efficient workspaces by attaching an HP Mini to the back
- Next-generation connectivity

### ProDisplay

#### Business Basic

Affordable, energy efficient monitors for growing success

- Everyday productivity
- Environmental efficiency and reduced power consumption
- Stable, reliable offering, legendary quality
- Efficient workspaces by attaching an HP Mini to the back

### HP Value

#### Simple Efficiency

Best-priced monitors from a trusted brand

- Basic productivity and value-focused solution
- Attractive price with trusted quality

\*All above features available on select models only.
